

Feeling overwhelmed by your website project? Spending too much time managing your site and not enough time doing what you enjoy?

In addition to maintaining your site and brand, we want to make the updates you need as often as you like. Our main goal is to keep you happy by ensuring your website remains current and functional. Visitors to your site are more likely to return if they see fresh content, as well as new design elements, features, and improvements.

Here are the Site Management services we offer:

### **Facebook Marketing**

Our resident expert, Facebook Jules, and his team of sexy ninjas will help your brand dominate Facebook. His proprietary “honey trap” strategy ensures your brand will gain popularity on Facebook - and get your fans to click to your site or landing page.

**Price per Hour: \$30**

*see monthly service packs on page 2 for deals*

### **Content Management**

Includes adding videos and photo sets from source file. We'll write titles, descriptions, and tags. Site owners only need to provide model names and upload the source files with FTP. This service can also be used for SEO optimization of existing content. Our talented writers will ensure your content is listed on the best search engines.

**Price per Content Item: \$5**

*see monthly service packs on page 2 for deals*

### **Site Customizations**

Need a tweak to your site template? Having trouble building bootstrap ready custom pages? This service includes template programming, tipping/cams integration, one-click billing, design installs, custom page coding and anything else you can imagine for your site.

**Price per Hour: \$60**

*see monthly service packs on page 2 for deals*

### **Design Services**

We offer a wide range of original graphic design services. Banners, logos, site headers, Tours, landing pages, viral social images (memes) and more. We'll bring your vision to life.

**Price per Hour: \$50**
